*Dad says I'm beautiful because I'm **smart**.
I love to ask questions and learn new things!*

*Grandma thinks I'm beautiful because
I'm generous.
I share the things I have with others!*

*My sister thinks I'm beautiful because
I'm **fun** to be with.
I make others smile and feel good.*

*Most of all, I know I'm beautiful because
of all the things I do and say.
I help people, and places I encounter
become more beautiful too!*
